Otherwise, it would be treated as a void ballot for voting. In the case of proxy, proxies had to vote in the same manner, except in the case of foreign shareholders' proxies who appointed a custodian in Thailand as a share depository and keeper, in which the proxies had to vote in accordance with what the shareholders had stated in the proxy form.

2. For the counting of votes in every agenda, the Company used data input via the bar code with priority for majority votes, except for matters specified by law otherwise, and showed the vote count via monitor. The votes were divided into 2 parts:

- Part 1) Agenda 1, 3, 4, 5 and 7 were normal agenda, requiring majority votes of the shareholders who attended the meeting and casted their votes;

In each agenda, if there were any shareholders or proxies disagreeing or abstaining from voting, they had to raise their hands. The company then asked the Company's staff to collect the ballot. In the event that no one had an opinion

or objection or left a comment otherwise, it was deemed that the meeting agreed and approved unanimously.

The Company will publish the minutes of the meeting via the Company's website within 14 days from the meeting date.

5. In order for the vote counting at the meeting to be transparent, two shareholders attending the meeting were invited to participate in inspecting the voting and counting votes together with the legal advisors and representatives of the Board of Directors of the Company.

None of the shareholders volunteered to be an inspector in the vote counting.
